

Huet Brothers launch New Chronograph

Oegstgeest, December 2008

- Huet Brothers have added a new Chronograph to their product line.

The **HB Benefactor NERO** is made in Switzerland and has a black anodized casing, black dial and a black leather strap with red stitching. It has the new logo at 12, subtle red highlights in the tachymeter and a screwback case. It is designed in line with the original HB Benefactor, and will be produced in a limited series of **only 200 pieces!**

Technical specifications:

- Swiss Made ETA Quartz / calibre G10.211
- Hardened Mineral Glass
- Black anodized casing/screwback
- Chronograph with lap timing
- Tachymeter
- Leather strap with red stitching
- Limited and numbered series (001 to 200)
- Water resistant - 50 m.
- Packaged in long luxury case
- 2 year international guarantee on mechanical parts

NERO is expected at the end of **February 2009** and can be *pre-ordered* by emailing to info@huetbrothers.com or calling +31 71 3649878.

Price: **€ 295,-** incl. VAT / excl. shipping.
