

Italian leather luggage to commemorate motorsport history

Oegstgeest, March 2008 - Huet Brothers have added a collection of leather luggage to their classic product line.

These hand made Italian pieces of luggage are fabricated to commemorate glorious events in motorsport history. Important names such as Ferrari, Maserati, Phil Hill en Sir Stirling Moss were the designers' inspiration.

All bags have a full end to end zip and come with a detachable shoulder strap. The bags are fully leather lined, have an internal pocket and metal studs/feet for protection.

Accepted as hand luggage (W57cm H32cm D28cm).

Like the HB Benefactor Chronograph and the HB Driving Gloves, these leather bags can be ordered through our webshop only; www.huetbrothers.com
